

Newsletter 1 for 2020.

During that AGM, the committee committed to a newsletter to update and communicate with members, here is our first newsletter of many to come.

Did you know:

The first German Shepherd was not born until 1889 and was bred by a man called Max von Stephanitz, who is known as the father of German Shepherd Dogs?

Congratulations:

To the dogs and owners that achieved their AD on 8 February in the rain. Scarlett, Sonic and Luka took part in this event, throughout the event it rained, the rain did not deter them and they went on to pass their AD. A big shout out to Dirk, SP, Shannon and Genius that cycled and for all their effort walked away with full of mud splatter.

The BH was also scheduled for 8 February however was rained out and is being rescheduled for 22 February at 08h00.

Thank you to Madrie that planned the food for the event and ensured the judge received breakfast.
